

Dear Colleagues,

The Instituto de Biotecnología de las Plantas is pleased to invite you to the XIV International Plant Biotechnology Symposium.

In this fourteenth edition the professors, researches, undergraduate students, businessmen, officials and executives linked with teaching, research, service and marketing will have the opportunity to share results, experiences as well as, reflect on the future of plant biotechnology.

Additionally, you will have the opportunity to know Santa Maria Key, located in an area declared as biosphere reserve in Villa Clara province and considered as one of the four special tourist regions of Cuba.

Official languages:

Spanish & English

Registration fee: 300 USD

The registration fee will paid at:

Titular: Instituto de Biotecnología de las Plantas

Number of account:

0300000005189529

Bank: BFI (Banco Financiero Internacional)

Account: current

Swift number: BFICCUHH

Registration fee includes:
